**LARGE BLOOMS — BEAUTIFUL COLORS**

# Japanese Iris

**YOUR SELECTION 6 for only \$1.50 POSTPAID**

The most beautiful of all Iris are of the Japanese Type. The flowers differ from the other types of Iris, being flat, and lacking the upright standards of the ordinary German Type flowers. The flowers are very large, attaining a size from 8 to 10 inches across. Fine for cutting. Their beauty around small lakes and ponds excel any other type plant for this purpose.

**MAKE YOUR OWN SELECTION OF VARIETIES — AS MANY OF ONE KIND AS YOU WISH**

**ASTARTE**—Beautiful double dark violet. A very late variety and blooms when most of the other varieties are gone. A strong grower.

**HERCULE**—One of the double varieties that is very popular in the garden. Clear lilac-blue shade. Large flowers.

**KAGARI-BI (Torch Light)**—Strong growing six petal variety. Chinese red color with veins of yellow on each petal. A striking effect.

**LA FAVORITE**—A very large white, veined blue on petals. Intense rich purple center. Outstanding as a free flowering variety.

**MAHOGANY**—Velvety mahogany red. Petals crested. One of the late blooming varieties. Large double flowers.

**MARJORIE PARRY**—Attaining a height of

36 inches. Extra fine double, soft mauve color. Beautiful tufted center.

**MOMYI NO TAKI**—Early flowering six petal type. One of the largest dark red flowers with a rich golden center. Fine.

**NEPTUNE**—Very strong three petaled variety. Flowers of a rich mahogany red cast.

**PATROCLE**—Beautiful single dark violet variety. Surpasses any variety in this color and type.

**REPSIME**—Giant double flowers. Light blue color with wide white margins. Very attractive and most unusual.

**ROSE H. SHEEPERS**—Double type flower. Color of a most unusual shade of mauve gray, overlaid blue.

**SEACREST**—Six petaled, big and waxy, frost white with a deep blue shaft. What a pleasing combination of colors.
